

September 2015

GROUP CAMP 2015

Dear Parents

Re: Group Camp

It's only a few weeks now until our Group Camp. All preparations are just about in place, we just have to hope for good weather!

The Camp is taking place at the Crossags Camp Site in Ramsey. As some of you may know from past experience, the lane up to the camp site is very narrow and so to try and avoid traffic congestion we would like all children to be dropped off in the Ramsey Grammar School (RGS) East Building Car Park (the first school building on the left hand side coming from Ramsey) between 7.00pm and 7.15pm. They will then walk up the lane to the site with either one of their Leaders or an Explorer Scout. You are of course welcome to walk up with them if you wish. Their bags will be transported up to the site for them.

With this Letter is a Kit List (see over) and a Medical Form. Please complete the Medical Form and ensure that it is handed in at the Camp Registration Desk in the RGS East Building Car Park when your child arrives on Camp on Friday 25. September 2015. **No Medical Form = No Camp.**

Scouts may bring their own Hike Tents if they wish. Cubs will be sleeping in the 'Ark'.

Cubs and Scouts are not to bring Mobile Phones or Electronic Games to Camp. If there is need to contact parents in an emergency we will have contact details on the Medical Forms.

The Camp finishes on Sunday 27. September 2015, at 14.30 when your child can be collected from the RGS East Building Car Park. (The same place as you dropped them off).

If you have any further queries, please either contact your son's Leader or Steve White, Assistant Group Scout Leader on 613429 or myself on 496004.

Yours in Scouting

Julian Ashcroft
Group Scout Leader
