

September 2015

BEAVERS AT THE 2015 GROUP CAMP

Dear Parents

Re: Group Camp

It's only a few weeks now until our Group Camp. All preparations are just about in place, we just have to hope for good weather!

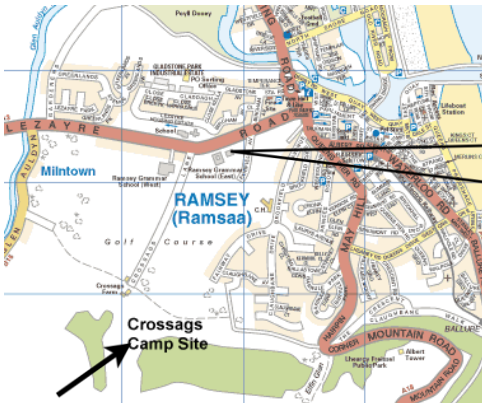

- Beavers who are joining just for the day need to be at the Douglas Electric Tram Terminal for no later than 12:20 on Saturday 26. September 2015. Beavers should be in uniform and have a waterproof coat with them. The Beavers will be joining the Cubs for an afternoon of fun activities on and around the Crossags Camp Site, followed by a BBQ. **At the end of the day the pick up will be from the Crossags Camp Site, behind Ramsey Grammar School, for 19:00.**
- Beavers who are staying over on the Saturday need to be at the Douglas Electric Tram Terminal for no later than 12:20 on Saturday 26. September 2015. Beavers should be in uniform and have a waterproof coat with them. Their overnight kit will be taken up to Ramsey separately. The Beavers will be joining the Cubs for an afternoon of fun activities on and around the Crossags Camp Site, followed by a BBQ, then continuing the evening activities and Sunday activities with the Cubs and Scouts. With this letter you will find a Kit List and Medical Form. The Medical Form must be bought along and handed in at the Douglas Tram Terminal. **Collection on the Sunday is at 14.30 at Ramsey Grammar School East Building car park (the first school building on the left hand side coming from Ramsey)**

If you have any further queries, please either contact your child's Leader or Steve White, Assistant Group Scout Leader on 613429 or myself on 496004.

Yours in Scouting

Julian Ashcroft
Group Scout Leader
