ARDWHALLAN TWO NIGHT CAMP

Dear Scouts & Parents

Re: Ardwhallan Camp

The Moddey Dhoo Troop will be holding a Two Night Indoor Camp at Ardwhallan Outdoor Pursuits Centre from 7.00pm on Friday 24th February to 4pm on Sunday 26th. February 2012. Ardwhallan is located in the West Baldwin Valley near to Injebreck Reservoir. The building, a converted farmhouse, is owned and run by the Department of Education and is a great base for outdoor activities.

Accommodation at Ardwhallan, consists of a large dining / meeting room and good sized kitchen, bunk rooms, quiet room, toilet and showers and a clothes drying room. The building has electricity and also central heating - *a real home from home*.

During the Camp we will be running a full programme of activities, some on site and some off. On site there is a brilliant Assault Course and the new Low Level Rope Course, which we will be making full use of. There is also an Outdoor Cooking Area. Activities during the camp will include – a Night Hike, Problem Solving, Wide Game, Assault Course, Rope Course, Mini Pioneering and as many other activities as we can fit in during the weekend.

The Camp is open to all Scouts in the Troop and the cost, which includes accommodation, all meals and activities is £40.00. Available places however are restricted and the maximum number of Scouts we can take is eighteen, so places will be given out first come first served.

The Booking Form below should be returned by no later than Tuesday 31st January 2012, when final information, a Kit List and Medical / Activity Permission Form will also be given out.

Yours in Scouting
