

# 2nd Onchan Scout Group

## MEDICAL & ACTIVITY PERMISSION FORM

**Note:** The medical profession takes the view that parent's consent to medical treatment cannot be delegated. This view is explicit in the child Act 1989 (UK). Thus medical consent forms have no legal status and a doctor / nurse insisting on the consent of a parent to particular treatment has the right to do so. For this reason we do not recommend that Leaders insist on parents signing the statement below. However it can be a comfort to medical staff to have general consent in advance from parents or to have a Leader on hand able to sign forms required by medical authorities.

All activities will be run in accordance with The Scout Associations safety rules. No responsibility for personal equipment / clothing and effects can be accepted by the camp organisers or the Scout Group. The Scout Association does not provide automatic insurance cover in respect of such items.

Don't forget to return this form by the due date.
